RESEARCH QUESTIONS

- The core question: How does the Armenian media cover the cases of domestic violence?
- Secondary purpose: Examination of the raised awareness by the media outlets

UTILIZED STUDY METHODS

- Analysis of media field
- Analysis of the existing literature
- Examination and evaluation of media content

MAIN DIRECTIONS OF RESEARCH

- Domestic violence in Armenia
- Comparison of coverage in Armenia and international media coverage
- Cultural components of the issue

CONCLUSION

- Different Stakeholders are in place
- Socio-Economic aspects
- Mistrust over media
- Non-Competent coverage of the cases
- Lack of research, more research is needed
